

CORE VALUES

ABOUT US

Since 1928, the Berea Seventh-day Adventist Academy (BSAA) has provided a diverse, dynamic, and balanced Pre-School – Grade 8 program which promotes excellent academic, cultural and spiritual awareness in an environment that is safe and caring.

BSAA was founded and operates upon the belief in The Creator God, who is vitally interested in the identity, purpose and destiny of humanity. Our school is commissioned to insure that its students are guided into attaining the fullest possible development of their mental, physical, spiritual, and social capacities.

"In all thy ways acknowledge Him and He shall direct thy path." (Proverbs 3:6)

OBJECTIVES

"True education means more than the pursuit of a certain course of study... it is the harmonious development of the physical, the mental and the spiritual powers. It prepares the student for the joy of service in this world, and for the higher joy of wider service in the world to come..." (Education, page 13)
